## About Us

---

MSE Security Services Pty Ltd established in 2014 is a 100% Australian owned and operated company. Our long industry experience means that we have the contacts and the know-how to meet your needs and get the job done. Based in Brisbane's Bayside, we implement and manage Security Solutions for clients across the greater Brisbane and Gold coast region.

Director (Shane Logan) has worked for some of Brisbane's largest providers and found a niche market of being able to provide quality security services at an affordable price. Managing with a customer comes first attitude he has seen steady growth and what started as a one man operation now employees over 20 staff and multiple cars on the road nightly.

Our mission focus is the protection of people, homes, information and property from crime, fire and other security risks. We believe our ability to provide a high quality service at an affordable price is the true test of professionalism. If we don't perform at the level of your expectations, then we lose you as a client – and to date MSE Security is yet to lose a client for poor service.

So whether you require a business security system, back to base alarm monitoring, security guards, security patrols or any of our areas of expertise, your protection and the security of your people, premises and valuables is our first and last concern. Your peace of mind and satisfaction is our first and last goal.

## Our Resources

---

With the available resources of hundreds of licensed and government cleared security personnel, our stable and consistent growth enables MSE Security to provide ongoing support to our clients. This makes us an outstanding choice as a long term provider of permanent and casual security personnel.

MSE Security has multiple security vehicles on the road nightly, our fleet is electronically tracked to both ensure optimum performance and that we are using our resources to their highest potential.

## Our People

---

MSE Security guard and patrol services draw from our managements 40+ years of industry experience. "We offer security personnel you can depend on."

All of MSE Security's staff are fully qualified & licensed in accordance with the Security Industry Act 1998. Each guard must hold a current First Aid Certificate, we also have white and blue card accredited guards.

*A security guard on site brings more than just another pair of eyes: it brings peace of mind.*

MSE Security can provide guards with any of the following attributes or functions:

- Uniformed, Plain Clothed, or Formal Attire
- Store Security Officer, Retail Loss Prevention
- Personal Bodyguard · General-Purpose Business Security Guards
- After-Hours Security Escorts for Staff · Crowd Control, Event Security Management · Guards for Concerts, Parties, Gatherings and Weddings
- Concierge Service / Front Desk Security · Car Park Gate Operators, Traffic Controllers
- Construction Site Security Guards · Emergency or Casual Guards □ Building Management

# Our Services

---

## MOBILE SECURITY

For companies or residences which may not need a constant on-site security presence, our high visibility security patrols are an excellent cost-effective alternative. We offer:

- Alarm Responses
- Lock-up Service / Site Inspection
- Random Patrols
- Staff Escorts and Welfare Checks
- Machinery and Alarm Checking
- Casual Patrols
- Night or Day Patrols

## BACK TO BASE ALARM MONITORING SECURITY SYSTEMS

Based in Canberra, MSE Security has a long term working relationship with a Grade 1A Control Room which offers our clients 24-hour back to base alarm monitoring for both existing and newly installed security alarm/CCTV systems. This control room services government, business and residential clients across Australia. We monitor all common types of security alarms and can also monitor for:

- Panic / Holdup Button Signals
- Medical Alarms · Industrial Alarms
- Mains Failure / Low Battery Signals
- Alarm Tampering
- After Hours Entry
- Alarm Test Reporting Signals

Additionally, for unexpected breakdowns, our 24-Hour Control Room ensures that any service calls are handled as quickly as possible. Minimising potential liability and downtime, our rapid response team will help to get your systems back into working order, fast.

We also have a Brisbane based security technician to service / install new security systems or to service / add to additional systems.

## MSE and the Community

---

Supporting the community in the prevention of crime is a fundamental element of our day-to-day business activities. At present, MSE Security is actively involved with a number of programs and organisations that include:

Citizens Radio Emergency Services Teams (Queensland)

South East Queensland UHF Emergency Service Team (SEQUEST)

State Emergency Services (SES)

Brisbane Convoy for Kids

Leukemia Foundation

Oxfam Trailwalker
